

Amendment II

**Amendment to the RFP for WIOA Youth In School and Out of School Program Providers
Posted: February 20, 2018**

Questions received as of 2/20/2018:

Q. 1. Does a program provider have to be located in Metro North to be eligible to apply for this funding?

A. 1. The provider does not have to be located in Metro North to be eligible for funding, but the funding would need to be used to serve Metro North residents.

Q. 2. Are the totals of \$121,793 for in-school programs and \$306,105 for out of school programs the total allocation or are they the maximum for each successful individual bidder, i.e. Bidder 1 receives \$121,793, Bidder 2 receives similar amount for in school program, etc. Bidder 1 receives \$306,105 and Bidder 2 receives a similar amount for out-of-school programs?

A. 2. \$121, 793 is the TOTAL allocation for all In-School Providers, \$306,105 is the TOTAL allocation for all Out of School Providers (Please note that these are the FY 18 current allocations and that FY 19 allocations have yet to be determined and are subject to change).

Q. 3. Does one year of continuous programming refer to one year of services for one participant or may the bidding program provide services of three to four months for each participant and then another three to four months for another participant etc.?

A. 3. It refers to one year of services for one participant.
